

Please amend the paragraph at page 14, lines 4-7, as follows:

The described features of the invention and further features result in greater detail from the examples in combination with the subject matter described herein ~~subclaims~~.

REMARKS

Upon entry of the above amendments, references to the claims in the Specification have been removed. The amendments do not introduce new matter within the meaning of 35 U.S.C. §132. Accordingly, entry of the amendments is respectfully requested.

TELEPHONE INTERVIEW SUMMARY

Applicants take this opportunity to thank the Examiner for his courtesy and time in conducting telephone interview with Applicants' counsel on February 7, 2005. Applicants have amended the Specification in accordance with discussions held during the telephone interview. It was agreed that the amendments would place the application in condition for allowance.

CONCLUSION

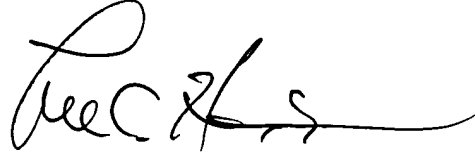

Based upon the above remarks, the proffered amendments more clearly describe the inventive subject matter and do not introduce

new matter. The Examiner is therefore respectfully requested to recommend entry of the amendments without withdrawing the case from issue. Favorable action with an early issuance of a patent is earnestly solicited.

The Examiner is welcomed to telephone the undersigned attorney if she has any questions or comments.

Respectfully submitted,
